Academic & Nonacademic Advising

Drop-in Advising:
GSAS drop-ins are held every Wednesday, 1:00-4:00pm. Bring in a copy of your CV, resume, or cover letter for a 15-minute critique or ask a quick career question. Drop ins are held on the 3rd floor of OCS on a first-come, first-served basis. Sign-in with your Harvard ID on the 3rd floor kiosk upon arrival.

Schedule an Appointment:
Schedule a half-hour advising session using the OCS Crimson Careers online system. Visit ocs.fas.harvard.edu/crimson-careers and log in using your FAS email and your Harvard ID. From the home page, click Request an OCS Advising Appointment.

Take Control of Your Career: Discover Your Hidden Skills

Come to this workshop and learn how to take on some big career questions. First, we will engage in interactive career self-assessment exercises to help you better understand your skills, interests, and values. Then, we will discuss a variety of careers of interest to PhDs, along with ways to research them. You will leave with a plan to discover, explore, and pursue career options based on your unique self-assessment…and maybe even identify your dream job!
